EDUCATOR TRAINING WORKSHOP

The United Ulama Council of South Africa (UUCSA) endorses the Educator Training Workshop convened by the National Awqaf Foundation of South Africa (AwqafSA). The need for our educational institutes to infuse education with analytical and critical thinking skills is pivotal to the holistic development of learners. The challenge that most educational institutes face is to migrate from an information centred methodology to a transformation driven educational ethos. We trust that Muslim Schools in particular will grab this opportunity to empower their educators.
